# TESTIMONIALS

"Our annual meeting for ICPE was held in Halifax in August of 2023. Our closing night event has taken many forms over the years however this year we used the Grafton Connor Complex to house our 1000 person event. Our attendees loved the opportunity to experience different types of food and entertainment as they moved through the different spaces. They couldn't get enough of the Fleetwood Mac tribute band (GYPSY) as they danced the night away. As an event planner, I was grateful for the staff at Grafton Connor for handling everything from food selection to entertainment procurement to security staffing. Thank you Grafton Connor staff for your incredible help in making our event such a success!"

- Shannon, Kellen Company

"I am writing to recommend Grafton Connor Group. They worked with us in Halifax as our after-party venue for our Annual General Meeting. The team was able to visualize and design plans as per our requirements, source amazing DJs, coordinate menu items and inspect on site to ensure alignment with specifications. Our group commented that the party at Grafton Connor was the most fun they have ever had. Grafton Connor Group was a delight to work with and I wouldn't hesitate to hire them again."

- Ghada, FYI Doctors

"I have to say that the opportunity of working with the team at Grafton Connor Group was stellar. Even with client changes at the 11th hour your team stepped up each and every time to make it all happen. The delegates were extremely happy and enjoyed their experience at The Loft and Hide & Seek. I definitely see me recommending your venue and services for future client experiences."

- Marina, Velocity Event & Destination Management

"Thank you all for a wonderful Event. It was a pleasure working with your team from start to finish. Everything was so well organized and executed. You really have an amazing team there. Everyone was so lovely to work with and top of every single detail. We appreciated all of the attention to detail and how well you took care of us and our guests."

- Jasmine, Corporate Client

"The evening was a huge success! You and your team did a fantastic job! The food and service and the elegant space made it a resounding success. I've arranged a number of these events across the country and I've never seen such efficient service and that many servers on hand to take care of our group. I was truly impressed. Our guests had a wonderful time and was very appreciative to be invited to spend the evening with us and that was the intent of the event."

- Beryl, HSB Canada

"We hosted a large national convention in Halifax utilizing many of the event venues in Halifax with two evenings hosted at Grafton Connor complex. The team were very accommodating to all of our requests and worked with us to achieve our goals. The space itself was very unique in that we were able to combine all the venues together to create a mix of different themes for one large event. The guests loved the experience because it offered something for everyone. Each of the themes within the spaces were enhanced by the entertainment selection and food stations. Overall, it was great working with the Grafton Connor Group and would reach out to them again if another client is looking to host an event in Halifax."
