HOW TO IMPLEMENT A KITS FOR A CAUSE PROGRAM FOR YOUR COMPANY/TEAM/GROUP

How to do it?

- Work with our team to plan ahead and create a calendar of events (monthly, quarterly, annually).
- Align Kit-packing events with internal meetings - volunteer days - offsite events.
- Work with our team to see which charities are in need of what and when.

Benefits

- Having a program allows you to create **measurable and memorable impact**
- Easy to implement** - Make collective impact across teams/locations
- Support multiple causes** throughout the year - charities are in need all year round. There are so many different types of kits needed, you can **do something different each time!**

More...

- Use our Wishlist to fundraise virtually, great for engaging remote workers, networks, friends and family!

Donor/Volunteer FAQs

How long does it take to plan an event?

- Our team requires a minimum of 4-6 weeks for Canada-based events and 6-8+ weeks for USA + International Events.

How long does it take for the supplies to get to me?

- We are located in Toronto, ON so this will be dependent on your location. We always plan ahead with buffer time to ensure your supplies reach in-time for your event.

Can we choose our own charity?

- Yes, you can choose your own charity to support or use our [Charity Finder](#), or ask our team of experts to find you a charity in need.

How do the kits get to the charity?

- You are responsible for getting the Kits to the charity. We will provide the location, hours of operation and on-site contact. You can personally drop them off or use shipping services.

Where does the event take place?

- Wherever you would like, your office, hotel, event venue, home etc.

How do I set up my event?

- Our team will have a Toolkit Meeting with you to run through your event set up and provide you with tips, tricks and printable resources.

How do we know how many Kits to pack?

- We recommend each person packs 12-25 Kits, this will be dependant on your budget. We will create a customized experience for you.

How much do the Kits cost and what goes in them?

- Our most basic Hygiene Kit starts at \$10-\$12/each. Each Kit is designed with the charity's current greatest needs and customized to your budget.

Where do the supplies come from?

- Supplies are provided by our Wholesale Partner, the [Bargains Group](#).

Do we get a tax receipt?

- We are a social enterprise not a registered charity so we are unable to issue a tax receipt. We are able to issue tax receipts through our foundation partner The Unity Values Foundation, a fee will be applied.

Can I do this at multiple locations?

- Yes! Kits For a Cause can be implemented anywhere, anytime.
